

CONGRATULATIONS

The Governing Board and the Management of the Law School of Tanzania extend their sincere congratulations to the 584 candidates who passed their examinations in the 41st Cohort sitting.

The School Management hereby directs all the 584 successful candidates to promptly update and verify their personal particulars in their respective LAWSARIS accounts. In particular, each candidate is required to verify and, where necessary, correct their date of birth and gender; and upload a recent passport-size photograph with a blue background. The particulars are essential for the timely and accurate processing and issuance of their transcripts and certificates.

The School Management once again congratulates all successful candidates and wishes them every success in their future legal careers.
